- The full consent of all parties to be imaged must be obtained prior to the event and evidence provided should it be requested.
- To enable photographs / images to be taken of juniors, parental consent must always be sought. Clubs will be responsible for ensuring they have the appropriate parental consent before agreeing to any photographs / images being taken.
- There is a general requirement on the person given approval to take the photographs / images, that if anyone complains or expresses concern they must respect the rights of other people and stop taking photographs / images immediately.
